El Gouna Film Festival at Zawya

The El Gouna Film Festival (GFF) is pleased to announce **GFF@ZAWYA** an outreach program of curated films from the Festival program presented in collaboration with Zawya Cinema in Cairo. The aim of this new partnership is to bring a part of the Festival's program to the broad audience that Cairo provides.

Zawya is a Cairo-based cinema space with the mission to showcase and circulate quality alternative films. The cinema screens a variety of independent productions from the Arab region and beyond throughout the year and hosts the much-anticipated Panorama of the European Film festival among other annual events like Zawya Shorts and Cairo Cinema Days.

There will be two daily GFF film screenings (three on the weekend) from December 17-23.
